Extra Duty Plus (EP)

At 7.3 kg and 18mm thick, Schmidt Contract Fall-Thru Extra Duty has the highest specification of any similar product manufactured worldwide.

Size Rolls 120x6 meters Jigsaw- .25sqm/piece

Surface High-loop construction

Anti-Microbial anti-fungal & anti-microbial **test reference ASTM G 21**

Flammability SNPE certificate- reaction to fire in accordance with EN

Colours 25 colours available

Weight 7.3kg/m²

Thickness 18mm

Fiber "thick" fiber 0.91mm (vinyl spun bonded multi-filament)

Current Price

Prices **32e/sqm** 230.40e/Roll

33.60e/piece 134.40/sqm

Packing Individually boxed 55kg/box

Pallet- 15 boxes 800kg/pallet (120x120 size)

Purpose The product is constructed with 18mm thickness so it will fit into the depth of all well or entrance areas, in order to be completely flush or higher than the surrounding floor. This ensures there is no hidden step for safety purposes as sometimes happens with thinner material. The weight and fibre used are to ensure the most effective wear and stability. It can be used in all high-traffic areas- supermarkets, malls, airports. It is the heaviest, thickest spaghetti mat in the world.

18mm

Extra Duty (ED)

At 5.3kg and 15mm thick, Extra Duty ensures a four-year guarantee.

Size Rolls 120x6 meters Jigsaw- .25sqm/piece

Surface flat construction or special loop

Anti-Microbial anti-fungal & anti-microbial **test reference ASTM G 21**

Flammability SNPE certificate- reaction to fire in accordance with EN

Colours 25 colours available as per chart

Weight 5.3 kg/sqm

Thickness 15mm (loop construction slightly higher)

Fiber "thick" fiber 0.91mm (vinyl spun bonded multi-filament)

Prices 25e/sqm 180e/Roll

Jigsaw 27.50e/sqm

Packing Each roll individually boxed weight 40 kg

Pallet- 15 boxes 600kg/pallet (120x120 size)

Purpose This is by far the most popular quality, ideally suited for heavy traffic entrance areas, fitting into wells or loose laid rolls.

15mm

Lite Contract Backed (LM) & Unbacked (LU)

Size Rolls 1.20x6 meters

Surface low loop construction

Anti-Microbial anti-fungal & anti-microbial **test reference ASTM G 21**

Flammability SNPE certificate- reaction to fire in accordance with EN

Colours 25 colours available

Weight unacked (LU)- 3.10 kgsqm; backed (LM) 5.3 kg/sqm

Thickness LU: 11mm +/-5%

LM: 12mm +/- 5%

Fiber Thin 0.51mm pvc spun bonded multi filament

Current Price

Prices **Sqm Roll**

LU 17,76 127,87

LM 23,3 167,76 edges on two sides of rolls

Packing each roll individually packed in carton, weight per roll: LU- 26 kg; LM- 41.78 kg

Purpose These qualities are designed for interior area, especially corridors, reception areas, alkways, elevators, etc. The backed roll -LM, has vinyl edges on the two long sides, so edging ramps are not required. The backing is important if the location is not suitable for dirt falling to underlying surface.

SCHMIDT MAT Video Display Pallet

To watch the videos please access:
www.schmidtcontract.com

All mats are washable in domestic machines!

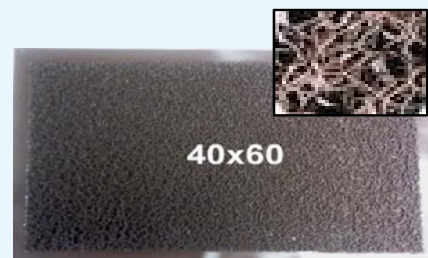

This display box includes a video and three compartments with 60x80 and 40x60 sizes, of Schmidt Mats, plus textile mats 40x60 size. The pallet is shipped with the header-board flat and video unit attached. It can be brought directly onto the shop floor, and assembled in 10 minutes. It is available in most European languages, and a new version can be available within two weeks.

Our experience to date is that the base- grey & brown Schmidt fall-thru are by far the most popular colours, but other colours can be chosen from the attached display, as well, and customized for each country.

The best areas for sales are large sheds, supermarkets or large hardware units.

Sales are dramatically improved with this unit.

Recommended colors: Grey, Storm Grey, Beige, Tan, Brown.

Prices

Display pallet consists of	Quantity Unit.	Unit price
40x60 PVC mats	100	4,50 €
40x60 Textile mats	130	1,99 €
60x80 PVC mats	100	9,00 €
Total price		1.608,70 €

All mats are Phthalate Free & anti-fungal + anti-microbial!

SCHMIDT MATS

can be purchased for refilling the display box either flat on pallet (including small label) or with a hanger and label.

NEW! Really inexpensive entrance mats! Outdoor/ Indoor Fall-Thru Mats

There are **2 types** of the new **Outdoor/Indoor Fall-Thru Mats**.

They differ from the Schmidt Mats by thickness and weight.

They are ideal to use for indoor and outdoor use.

Two of them are lighter- 9mm and 8mm and one is heavier with 12mm thickness, which gives you more options when choosing.

And they are exceptionally well priced!

They can come with their own label and they are our customer's new favourite mats.

MR. OUTDOOR

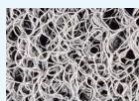

The new doormat is available in three sizes at extremely attractive prices. The mats have a PVC backing and offer all the advantages of a modern mat system. Hygienic, hiding dirt, the grit is collected by its looped construction. It keeps the grit outside the house and it is effective with snow. The mat is easily cleaned. It is available either in Mr. Outdoor display boxes, sizes 40x60 and 60x80 (slightly reduced to fit in display box) or flat on pallets with labels and hangers- boxed.

TRAP MAT & DESIGN MATS

Trap Mats are an essential part of any dust control program.

Suitable for indoor or outdoor use, they stop the heavy grit & sand ever reaching the doorway.

Trap Mats not only improve the appearance of your building, but cut the costs of cleaning and floor refurbishment to a minimum.

FALL-THRU LOGO MATS

Printed Logo mats are unique to Schmidt Contract.

Because all colours cannot be printed, we also offer 'design inlay' logo mats or rolls which can use all the colours from the colour annex.

Design Inlay (unbacked):

- | | |
|---|--------------|
| 1) For loose lay or well location Rolls- ED quality | 110 Euro/sqm |
| 2) EDL (Extra duty Light) quality | 90 Euro/sqm |

Printed Mats (which come in two qualities):

- | | |
|--|----------------|
| 1) SF Printed - Backed | 88.80 Euro/sqm |
| 2) EDL (Extra Duty Light) Printed - Backed | 96.30 Euro/sqm |

Prices- depend on whether design inlay or printed Logo is required:

A. Design inlay

Designs can be produced in all colours from the colour index.

Minimum size 90x120- no words smaller 5 cm.

Design Charge 20 Euros on first mat. Design confirmation required!

Quality	Price/Sqm
Extra Duty (ED)	110,00 €
Extra Duty Light (EDL)	90,00 €

Logo Printed Mats

Choose Colour of MAT BACKGROUND

These are the only colours available for printed logo mats:

Burgundy 71

Coffee Cream 1024

Sand 29

Tan 585

Jade Green 1962

Grey 30

Beige 3636

Blue 32

Printing Colours Available (for each mat background)

Please note that not all colours can be printed on some background, for example White & Red, and in this case the only option is to order the Design inlay mats.

If in doubt contact customer service.

Printed Schmidt Logo Mats Prices:

There are two qualities of background material: SF and EDL (Extra Duty Light).
Extra Duty Light is guaranteed to last longer a longer period of time.

KITCHEN MAT

THE ULTIMATE ANTI-FATIGUE & HYGIENIC PROTECTION
FOR YOUR KITCHEN

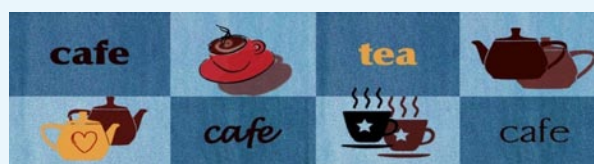

The Ultimate Kitchen Upgrade! Cooking in Comfort- There is nothing like it!

The kitchen mat is a well-designed anti-fatigue mat that can reduce foot stress and related back problems.

The average cook or home chef can benefit greatly from an anti-fatigue mat to prevent foot stress problems. And for those who spend hours standing such as busy cooks, home-based caterers or professional cooks, an anti-fatigue mat is essential.

Kitchen mats can harbour food bacteria if small particles are not cleaned, but not with this mat which has both 'anti-fungal' and 'antimicrobial' properties, thus no bacteria can propagate and cause health concerns. And for a better comfort, these mats also have a 'cushion effect', which relaxes your feet while you do the cooking, and their designs are very appealing, nice looking and 'cheerful'.

Size	Price
Kitchen Mat 40x60	€ 4,80

HYGENIC BATH MAT

Bath mat – Anti Fungal –
Anti Microbial

A totally unique and new product!

Includes Hanger & Label

The hygienic answer to bathroom flooring. The new generation mats come with complete microbial and fungal protection. They come in three qualities the 38x58 + 58x78 for around the hand basins, a shower unit and a long narrow strip for along side the bath. Then is also a short roll 120x300 cm, that can be cut by scissors and fitted around the shower unit for a permanent installation.

GARDEN MAT

Includes Hanger & Label

The Garden mat is a new mat which comes in two qualities:

(A) Standard unbacked mat which is available in three sizes and can be cut from rolls to fit longer or usual areas. It can be used between an outhouse and your home, on porches, beside BBQ's and on walkways. It is an alternative to artificial grass.

(B) Kneeling mats. This comes for the gardening enthusiast who has to kneel to plant and maintaining flowers. It has a thin PVC backing, so that no surface water can get through the mats. It comes in two sizes at two attractive prices.

CAR MAT (Available from Oct 2012)

We have two qualities one with fall thru exclusively and the other with a textile “heel step” for the car. These mats are ideal for maintaining the appearance and ease the cleaning within the car.

LIGHT DOMESTIC OR COMMERCIAL SPAGHETTI ROLL

This is a special quality manufactured from recycled material which can be used all around the house, but especially to cover balconies, garden areas, anti-fatigue work areas, holiday homes. It can be easily cut to shape, by knife or scissors to fit special locations. The material is antifungal and antimicrobial.

The product is manufactured with 0.51mm fillaments, it has a thickness of 7.6mm, and weight of 1.91 kg/sqm, the roll weight: 6.9 kg.

The green shade can change from roll to roll so care must be taken if matching separate rolls.

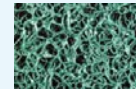

Supply is limited to available material.

The price is very economical and provides a superb cushion effect on feet for relaxation.

Dimensions	1.20x3m
Selling price	21,75 €
Weight/ box	8.70 kg
Weight per pallet (32 boxes)	27.80 kg
Thickness	7.6mm

Packing: Individually boxed

Colour Green 029

RING MAT - NEW

The new ‘Ring Mat’ is excellent for entrance wells, workshops, stores or or any other area. The ring rubber/hollow mat can appear very industrial while this mat gives more stability and a pleasant appearance, especially in commercial areas.

It is made from two types of PVC granules which greatly effects the price.

The recycled one is only available in **Green & Black** but supply can only be guaranteed when we have the raw material which is not always available.

The **Blue, Tan and Terracota** colours, on the other hand, are more expensive but they are always available, and they are manufactured from virgin material.

The ramped edges for retail outlets as trolleys can easily be pushed over.

Ramp edges on leading and back edge

Prices

Type	Size	Colour	Price
Recycled Material	90x120	Green & Black	€ 24,00 including edges

All Schmidt Contract mats are washable in domestic machinery. They are not suitable for industrial washing.

Ultimat

(25% Viscose, 75% Polyester)

Machine Washable

Ultimat has been manufactured by Schmidt Industries for over 35 years and is now exclusively manufactured by Schmidt Contract. It is the original rain mat designed to ensure that rain is absorbed within the mat and not carried into the foyer. The combination of viscose and polyester provides the ultimate protection for your entrance and the rest of your premises.

No other textile pvc backed mat both absorbs moisture and has a brushing action.

The mats are phthalate free!

COTTON 600

Washable mats

Cotton 600 is a Vinyl backed, cotton rain mat designed to be super absorbent. Cotton is the ideal solution for installations where mats become wet very quickly. It is extremely effective at stopping rain born moisture in its tracks to keep your internal floor surfaces clean and dry. Cotton is the most absorbent natural fibre in the world.

The mats have a life of around four years, and the edging is 1.4mm thick strong and safe.

TEXTILE ASSORTED MATS

Assorted mats are the end of normal production runs. They are 'first quality' mats, but produced in a wide variety of colours and qualities. Sales in this format continue to increase. All colours and types are standard from production.

Prices

Assorted mats	Price
Assorted 40x60	1,61 €
Assorted 60x80	3,22 €
Assorted 60x90	3,55 €
Assorted 90x120	7,25 €
Assorted 90x150	9,05 €
Assorted 120x180	14,49 €

SPECIALS

Washable mats

Phthalate Free

Specials are different from all the other mats, as they are limited to yarn stock availability. Examples currently available are Alpha and Africa.

Alpha and Africa are mats of very good nylon quality at a very competitive price.

Specials are manufactured when we have been able to buy yarns at a special price. The Alpha quality is a good example- it is 100% nylon.

As the yarn is tufted, the mats can be ordered in 90x150, 60x90 size or whatever combination of sizes that suits your requirements.

New Specials are posted on our website every month. Alpha & Africa are unlikely to be available after August 2012. New designs will be posted for weeks before these run out.

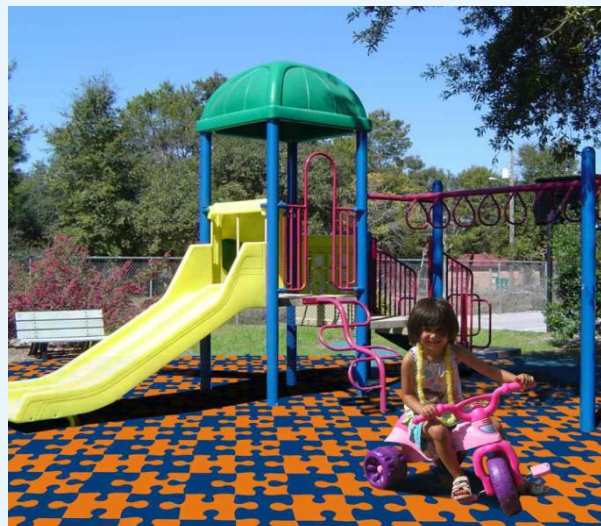

Alpha

Africa

Specials	Price
Specials 40x60	1,50 €
Specials 60x80	2,75 €
Specials 60x90	3,37 €
Specials 90x120	6,75 €
Specials 90x150	8,45 €
Specials 120x180	13,50 €

THE HYGENIC AND SAFE PLAYGROUND- JIGSAW DESIGN

Virtually Maintenance Free

Dust, dirt and grit are brushed by the open loop flex coil design. The dirt falls through ensuring the surface always looks clean and presentable throughout the day.

Advantages:

Anti-fungal and anti-microbial
Ultrasafe + Soft
Self-maintenance
Complete Hygiene Protection
Colourful

Maximum Durability

The Fall-Thru filaments are securely bounded together with our unique proprietary binder. This delivers an increased lifespan combined with maximum durability and performance.

EP 18 mm - designed for maximum scraper action with its raised loop, heavy duty filament and open construction. **Price 33.6 e/sqm**

ED 15 mm - large filament construction with a dense flat surface that works well in wheeled traffic areas. **Price 27.5 e/sqm**

Boxed: 10 jigsaw pcs per box.
